

GREEN GLOBES®

WORK SHOP

DENVER, CO

1.23.2020

THURSDAY, JANUARY 23, 2020

THE ALLIANCE CENTER

DENVER, COLORADO

1 - 5 PM

Networking Reception at Lucky Pie 5:15 - 7:15 PM

Join the Green Building Initiative for a Green Globes workshop in downtown Denver on Thursday, January 23, 2020. The agenda will feature presentations including case studies, local resources for sustainability initiatives, the importance of an integrated design process early on, and guidance for achieving high levels of Green Globes certification. Attendees will also learn about the 2019 Green Globes for New Construction standards and the 2019 Green Globes for Existing Buildings program. Network with other architects, engineers, building owners, property managers and sustainability professionals at the networking reception immediately following the event.

Registration Rates:

GBI Members: \$29

General: \$39
